VOLUME LXI. FIRST IN SERVICE TO READERS ANTIOCH, ILLINOIS, THURSDAY, OCTOBER 24, 1946 FIRST IN RESULTS TO ADVERTISERS NUMBER 12

Antioch Theatre Will Play Host to Graders Thurs.

13th Annual Halloween Party For Youngsters to be Oct. 31

F. B. Swanson, manager of the Antioch theatre will play host to several hundred children of grade school age for the thirteenth time next Thursday evening at the annual Halloween party. The party, which was originated by Swanson and the Antioch News has proved very popular with parents and children alike, and by providing innocent amusement for the youngsters has cut down on mischief and vandalism.

Richard Whitacre, principal of the Antioch Grade school, is chairman for the affair and states that prizes will be provided by the Antioch Lions club, and that four prizes in each age group will be awarded. The divisions besides the eight grades of the school will include kindergarten and pre-school age children. Whitacre said that all children who wish to participate in the parade and free entertainment at the theatre should be in costume and assemble at the Antioch grade school grounds at 6:30. He also stressed the fact that the party is not only for Antioch children, but that all children of other schools in the community are invited.

Swanson has arranged a program of pictures calculated to be of great entertainment to children, consisting mainly of cartoons.

Something new to the village's Halloween plans this year is the soap picture contest announced by the Antioch Shoe Service, 881 Main St. Knowing the fun children have on Halloween soaping windows, the owner of the shop is offering a first prize of \$5 in merchandise and a second prize of \$3 in merchandise to the youngster who draws the best picture with soap. Other prizes will be passed to the Antioch or Lakes theatres.

Draw in Soap on Window
The windows of the store will be marked off in squares and those who make application will be assigned a spot whereon he or she will have between 10 a. m. Saturday and 5 p. m. Thursday to make the drawing.

Mrs. Fern Lux will serve as judge. With the shortage of soap, it will also be a contest to see whether mother's precious soap leaves the kitchen that night but with prizes in store such as the shoe service is offering there may be an exception in the household ruling.

Reeves to Give Treats
George Borovicka, manager of Reeves Drug store, will also give treats of ice cream and candy to all grade school children who come to the store Thursday evening before or after the party.

Brother of Mrs. Hays Dies at Hines Hospital

Irvin A. Hatton, brother of Mrs. E. J. Hays, 766 N. Main st., died Oct. 20 at Hines hospital where he had been a patient since Sept. 11.

Dr. and Mrs. Hays attended the funeral Sunday in Chicago where the Hatton family resided at 2704 N. Albany Ave. A World War I veteran, Mr. Hatton was 52 years of age at the time of his death.

Surviving are the wife and four children, the mother, Mrs. Evelyn Hatton, of Chicago; a brother Bradley Hatton, of Chicago; and the sister, Mrs. Hays.

Mr. Hatton was known in Antioch through his visits at the Hays home.

American Legion Will Place Two Basketball Teams in Field Soon

A decision to place two basketball teams in the field this season was made Tuesday evening by the American Legion, according to Ed Frazier, athletic director.

Dale Rockow was named manager and a meeting of all men interested in playing on the teams has been called for 7:30 p. m. Monday at the Antioch High school.

Whether or not a Legion basketball league will be formed in the 10th district will be decided later in the week, but if one is formed, the local team will be a member. If not, an independent schedule will be arranged.

The teams will be known as the first and second team, the second team playing a separate schedule but forming a reserve for the first team.

Postmaster Warns Against Damaging of Mail Boxes

The annual fear that children will damage rural mail boxes as well as take mail from them during their Halloween pranks has caused the postal department to send out a warning to the box owners and to the parents of the youngsters.

The penalty for such vandalism is three years imprisonment and \$1,000 fine, which is something to think about in comparison to a little fun.

Antioch High School Homecoming Listed Among School's Best

It was a successful Homecoming that the Antioch Township High school recorded this year among many years of alumni celebrations.

The football victory over Palatine pleased the large crowd Friday night. The dance that followed with the Paulsen Tune Ticklers supplying the music, was a happy occasion.

Elizabeth Ring, Homecoming queen and her court composed of Jerry Sass, Joan Conrad, June Hunter, and Mary Ann Quilty were charming in their formal as they were presented to the dancers during intermission.

The bonfire and snake dance on Thursday afternoon at the Village park started the ball of enthusiasm and interest rolling, and it was given impetus Friday afternoon in the parade.

William Hamm won first prize in the parade with his float, a covered wagon; Ben Drury got second prize with his decorated tractor; and William Vos got third prize with a decorated 1946 Chevrolet car. The prizes were \$5, \$3, and \$2 respectively.

George Shannon Prepares To Go To Venezuela, His Birthplace for Visit

George Shannon, residing on the east side of Lake Shangri-La, is planning to leave for Venezuela as soon as he sells his chickens.

Shannon who was born in Venezuela has been away from there 50 years. He says he owns 10,000 acres there on which coffee, cocoa and sugar cane are grown and he plans to make sure of his title before returning. He has four children, all married, who will have charge of the plantation. Mrs. Shannon is dead and he will go alone. He doesn't know how long he will stay, but plans to return here to spend the rest of his days.

Millgate Farms Hampshire Herd Will be Dispersed at Auction Nov. 2

A sale that is expected to arouse widespread interest among breeders and farmers alike is scheduled at Millgate Farms, Wadsworth, Ill., on Saturday afternoon, November 2, when it puts its entire famous Hampshire hog herd on the public auction block.

According to George W. Rossetter, Millgate's owner, the decision to dispose of the herd that, since its inception more than six years ago, has ranked as one of the finest Hampshire groups in the Middle West, is the result of his equal success with his Shorthorn cattle herd. As his Hampshire and Shorthorn herds have grown Rossetter has found it increasingly difficult to handle them both with the existing facilities at Millgate. This, plus the fact that the Millgate terrain is better adapted to cattle raising, has led to the determination to give up his hog breeding activities.

The auction, which will be conducted by Col. G. H. Shaw, of Memphis, Tenn., and Col. Wm. A. Chandler, of Gurnee, will involve more than 260 hogs ranging from the choicest bluebloods in the Hampshire class to lesser celebrities ideally suited to farm stock raising purposes. Included in the herd, as it will go to the auction block, will be Millgate's two best boars, 40 breeding sows, 50 - 1946 spring gilts, ten 1946 spring boars and 150 pigs born this fall.

The Public Auction Service Company will clerk the sale.

Villa Buffet at Lake Villa Plans Exhibit and Party

Roy E. Johnson has announced a big harvest display and Halloween party at his Villa Buffet at Cedar st., in Lake Villa.

Farmers and gardeners are invited to enter a contest in the exhibit of their finest farm products such as squash, melons, corn, potatoes before Oct. 26, the date of the party, to be eligible for a prize.

A 40-inch pickerel weighing 13 pounds was caught Sunday at Indian Point in Ackerman channel. The name of the fisherman was not learned by the boat owner.

Antioch High Wins from Palatine 7-0 in Homecoming Game

Sequoits Play Northbrook in Daytime Game There Saturday

The Antioch Township High school football team crossed into the victory column in their Homecoming game here with Palatine Friday night through a 7-0 score, and will next meet the league leading Northbrook team there at 2:30 p. m. Saturday.

The Homecoming crowd was given a thrill when in the last four minutes of play with the game scoreless, Dob Kraft, right half, tossed a forward pass from the 30-yard line to Kenneth Mattson, left half on the 10 yard line and he went over for the touchdown. Danny Jones converted for the extra point.

The Sequoits had the Palatine team on the defensive much of the time.

There will be a few changes in the lineup this weekend. Joseph Cosgrove suffered the loss of four upper teeth and a severely cut lip in practice Tuesday afternoon and will be unable to play. His place at guard probably will be taken by Ernest January.

Duane Weber probably will go to fullback and Kenneth Mattson will be changed to tackle.

The Sequoits are expecting a busy afternoon because of the strength of the Northbrook team but expect to give a good account of themselves.

The standing of the Northwest conference with Barrington having two tie games and Grant and Antioch each one is as follows:

Northbrook	3	0	1,000	45	12
Bensenville	2	1	667	60	13
*Grant	1	1	500	38	25
*Antioch	1	1	500	19	33
*Barrington	0	1	1,000	18	45
Palatine	0	3	000	0	52

*Tie game.

Air Mail Week Finds Stamp Cut to 5 Cents

Taking a leaf from the success book of big business, Uncle Sam has reduced the cost of air mail from 8 cents to 5 cents with the expectation that volume will make up the difference in income.

To acquaint the public with the new price, the week of October 27 to November 2 has been designated as "National Air Mail Week."

During that week the public is asked to form the habit of sending mail by air where it is possible and advantageous. Before the war the public was rapidly becoming air-mail conscious, but during the war it was necessary to limit that business somewhat and the price was upped a few cents.

Now conditions are different and the postal department in seeking more business is taking pride in the fact that during a period of inflation it is able to reduce a price.

The slogan for next week's mailing will be "Send air mail, it's better, faster and cheaper for many purposes."

Banquet for Rats Is Planned by Farmers in Purchase of Poison

A banquet to which only rats will be invited is planned for November 8, according to Farm Adviser Ray T. Nicholas.

The entree on the bill of fare will be a ready-mix red squill bait and it is being furnished to the host, the farmers of Lake County at cost.

Like MacBeth's guests the rats will not leave the banquet table alive, but the farmers will agree with Nicholas that they will be money ahead as the result.

Nicholas said the bait will be sold for 50 cents a package, one package being enough for the average infestation. For heavy infestation, two or three packages are recommended.

Each Farm Bureau member will receive a letter and a card on which to place the number of packages of bait wanted and where to leave it. Antioch Township High school will be one of the distribution places.

Persons not members of the Farm Bureau and who will not receive a letter are advised to place orders with the Farm Bureau and designate which distribution point the bait is to be left. Money for the bait must accompany the order.

AN UNHAPPY MEDIUM!

OPA Will Enforce Ceilings on Rents, Sales of Houses to G I's Under VE Housing Program

Church Bazaar Arranged for Sunday, Nov. 24

November 24 has been set as the date for the bazaar of St. Peter's church.

The ladies of the parish will serve a buffet supper in conjunction with their bazaar and will have amusements throughout the evening starting at 5 o'clock.

Mrs. Edmund Vos will have charge of the booths. They will include a doll booth where dressed dolls will be sold; a linen booth where dainty aprons, luncheon sets, bath mats will be shown; and a table displaying costume jewelry, purses, billfolds, scarfs, and other articles suitable as Christmas gifts.

The profits will go to the school fund.

The women of the parish will meet at 2 p. m. Wednesday to prepare for the bazaar.

Jobs for Stenographers and Typists Offered in Civil Service Exams

Examinations to qualify stenographers and typists for permanent government positions are to be held in the near future, it was announced today by Joseph A. Connor, regional director for the U. S. Civil Service Commission.

Application from those who wish to take the examinations will be received at the regional office of the Commission, 433 W. Van Buren St., Chicago 7, Ill. The period to file applications will be from October 10 to November 7, inclusive.

"Most of the positions to be filled are with government agencies located in Chicago and Detroit," Connor stated. "From 800 to 1,000 will be needed by the Veterans Administration and a similar number by the Railroad Retirement Board in Chicago before the first of the year. Other agencies are also calling for more stenographers help."

He called attention to the fact that salaries were raised last July. There are four salary grades to be filled from these examinations. The tests for all four will be the same. The grades range from \$1,756 to \$2,394 a year, but most vacancies will be filled at an annual salary of \$1,954. Salaries are increased automatically each year for satisfactory service. The work-week is five days and there are 26 days of vacation with pay each year. Time and a half is paid for overtime.

"Interested stenographers and typists should be advised," Connor said, "that this probably will be the last opportunity for some time to apply for federal employment."

Village Clerk R. L. Murrie has received a supply of application blanks for 1947 automobile license plates. Those who wish their old numbers to be again will have a better chance if they apply early, he said.

National Tea Co. Store Damaged by Fire Monday

Will Re-open in Two Weeks
With New Stock and
Remodeled Room

A re-opening within two weeks is promised for the National Tea Co. food store after fire did severe damage to the stock and building at 937 Main St., Monday night.

Quick and effective work on the part of the Antioch fire department confined the blaze to the stock room in the rear of the building and the room and roof immediately above.

Mrs. Alice Freeman, manager of the store, said that the present stock valued at \$18,000 which was damaged by smoke and water, is being removed by the company and when the store is again opened there will be entirely new stock.

The fire was discovered at 11:45 p. m. by Dick Stroner, Antioch youth, who happened to be passing at the time and saw smoke pouring from the stock room of the store. He gave the alarm.

Starts in Defective Compressor

The fire is believed to have started from a defective compressor of a refrigerator. Some inflammable material nearby soon sent the flames upward to the ceiling. The firemen had the greatest trouble in extinguishing the fire in the roof.

The loss to the stock in the stock room included much of a 2,100-pound lot of sugar, and many pounds of steak cut and ready for sale.

William Rosing, owner of the building, lost several valuable antiques which were in the apartment above the store.

Rosing to Remodel Room

Rosing plans to restore and remodel the building at once and the National Tea Co. will install new fixtures and lighting.

Plans were made a year ago to remodel and refinish the store, but this was dropped when with the close of the war Rosing again sought to use the place as the display room of the Antioch Ford garage.

The grocery company immediately purchased land to the south and planned to build its own building, but since the garage company is getting slow delivery of cars and doesn't have need yet for the room, and the grocery company cannot get building materials because of government restriction, the two arranged to go ahead with the remodeling and it is probable that the lease which ends in March will be extended.

No estimate of the total loss was given but it probably will be several thousand dollars.

Royal Neighbors Place Past Oracles at Posts in Anniversary Party

Olson Camp No. 459 Royal Neighbors of America celebrated the organization's fiftieth anniversary Tuesday evening by filling all stations with past Oracles and dressing in costumes of the Gay Nineties.

Mrs. Gladys Ames, district deputy, filled the office of Oracle. Other officers for the evening were Mrs. Anna Kelley, chancellor; Mrs. Mary Runyard, vice oracle; Mrs. Kathryn Dibble, past oracle; Mrs. Georgia Nelson, receiver; Mrs. Frieda Wertz, flag bearer; Mrs. Effie Nelson, marshal; Mrs. Myrtle Stowe, assistant marshal; and Mrs. Alma Hardon, recorder.

Three-fourths of these in attendance were able to find and wear costumes of 50 years ago.

GI's May Use Terminal Leave Bonds to Pay For NS Insurance Premium

A simplified procedure has been set for use of the veteran's terminal leave bonds for payment of premiums on all forms of National Service life insurance, Homer G. Bradney, Administrator of the Illinois Veterans commission, announced today.

To pay GI insurance premiums with the bonds, Bradney said, it is only necessary for the veteran to endorse the back of the bond and forward it to the Collections Division of the Veterans Administration in the same manner as paying insurance premiums in cash.

Veterans who have not applied for their terminal leave pay may contact Louis E. Williams Service Officer for the Commission at American Legion Home, Waukegan, Ill., for assistance in making the application. Deadline for applying for terminal leave pay is Sept. 1, 1947.

Only One Solution

Increases in wages, payroll taxes and prices of materials since 1939 have added more than \$2,000,000 a year to railroad operating costs—while freight and passenger increases in the same period have added less than \$450,000,000 a year to railroad revenues, Dr. J. H. Parmelee, Director of the Bureau of Railway Economics, testified before the Interstate Commerce Commission on the railroads' application for increased freight rates and retention of present passenger fares.

Although this year's rail traffic is expected to reach a peacetime record, he continued, the rise in wages, prices and other operating costs has been so great that the result of the year's operations will be a net loss.

Dr. Parmelee based his statement on detailed reports for the first five months of the year, preliminary figures for June, and estimates for the remainder of 1946. In the first five months, revenues declined by more than 23 per cent, as compared with the same period last year, while operating expenses actually increased. The net result, even with reduced Federal tax payments, was a downward swing of \$317,000,000 in net income for the five months. This decline is expected to continue through the balance of 1946 and 1947. And, in making his estimates, Dr. Parmelee took into consideration recently authorized freight rate increases which became effective July 1. The added revenue from this source will be about \$322,000,000 a year—and that will be largely absorbed in meeting the additional 2½ cents an hour wage increase which began May 22, and the increasing cost of materials and supplies.

What this all adds up to is that the railroads, like all other business, must charge more for their vital service if they are to survive. It is an important fact that commodities moving by rail could take an increase of 25 per cent in freight rates without being called upon to pay any greater proportion of their value in freight charges than in 1941. We cannot increase the wages of railroad workers and the prices of the supplies the railroads must have, by enormous percentages, and expect the lines to continue to

operate with rates at or near the pre-war level. We cannot expect the lines to meet increased costs out of reserves built up for replacing old equipment which could not be purchased in war time—if that were done, the physical collapse of the railroad plant would be the eventual result. The only solution is increased rates, based on the cold and uncontroversial statistics.

The Confused Giant

Amazement and concern is felt throughout the world at the spectacle of endless confusion besetting the United States. People are appalled at the exhibition of a giant who cannot pull himself together even to take care of his own needs.

The reasons for this country's confusion are a collection of a little acts that add up to a mighty destructive force. These little acts are being committed from one end of the country to the other by any army of public servants who knowingly or unknowingly undermine the source of our nation's greatest strength—the enterprise of individual citizens. They promote grandiose publicly-financed schemes in direct competition with the efforts of private citizens. The gigantic tax-financed and tax-exempt public power program is typical. Constant hauling and pulling between private enterprise and public enterprise in this field is damaging to the country beyond all calculation, because plainly evident is a basic struggle between two philosophies—the philosophy of private enterprise upon which this country was founded, and the philosophy of socialism. From electric power the spirit of conflict seeps through countless activities with an insidious enervating effect.

As an illustration of the process, consider a few newspaper items of the day. From Coos Bay, Oregon, appears the notice of the mayors of seven communities holding a conference to consider the possibilities of public electric power. Attending the meeting was the Bonneville Administrator, a Federal official who actively encourages public power at every opportunity; another item from Junction City, Oregon, tells of efforts to form a public utility district for the distribution of tax-exempt Bonneville power. Another item from Oregon City, Oregon, cites the local tax assessor as reporting that half the property in his county is now tax-exempt public property—local tax-exempt Bonneville property alone, he estimated, would be assessable at more than a million dollars. The same situation prevails in all sections of the United States, where the Federal government's tax-exempt socialized power program is absorbing taxpaying private enterprise.

Until this basic conflict is resolved one way or the other America will continue to be a confused giant, increasingly unable to supply his own needs.

twenty ladies from various parts of the county in attendance.

Mr. and Mrs. Ray Kerr, who have been at their lodge at Three Lakes, Wis., for the summer, have returned to their home here and are nicely settled once more.

Mrs. B. J. Hooper and daughter, Mrs. Langbein, were Chicago visitors last Friday.

Miss Betty Callow, of Milwaukee, spent Saturday and Sunday with her aunt, Mrs. Charles Kelly.

Mrs. Lulu Nelson is spending some time at the home of her son, William, and family at Antioch.

Mr. and Mrs. Earl Fleischer and children, of Rockford, Mrs. Grayson and Mrs. Jones, of Waukegan, Mr. and Mrs. George Walker, of Libertyville, were guests at the William Walker home on Sunday.

Mrs. C. N. Dunbar was called to St. Louis early this week by the very sudden death of a dear friend.

A Halloween party was held by the Halcyon group of the Lake Villa Methodist church Thursday evening at the home of Mrs. Harvey Pavel. The guests were welcomed by a ghost and led through a series of dark haunted rooms into the attractively decorated basement where Jack-O-Lanterns winked at them from shelves of fodder beset with scare-crows. Everyone came in costume which added to the fun. The evening was spent in playing games

and a very enjoyable time was had by all present.

Delicious refreshments were served by the hostess committee, Lillian

Loeche, Hilda Nader, Dolores Cremin and Ada Barnstable.

"I'M A FARMER* IN NORTHERN ILLINOIS"

"I've farmed in Northern Illinois for about 50 years. The land is rich and it's a help to me to be near the biggest food-processing center in the country. The corn and milk I produce is only a few hours away from the large distributing center in Chicago. My family has been farming around here for a long time and we've seen this land grow more productive every year. I've brought up my children and educated them here in Northern Illinois. They're staying to work and live here, too."

This man is typical of the progressive farmers of Northern Illinois. There is an abundance of good roads and railroads to get their products to all of the country's large marketing centers. This same transportation network plus the area's diversified industrial facilities combine to provide the finest machinery and equipment with which to work.

In Northern Illinois, electricity helps make farms great producers. This Company is continuing a long-standing program of rural line extensions which today makes this service available to more than 95% of the farms in the territory. The towns serving the needs of these progressive farmers are well-developed communities with good stores, shops, sound banks, fine schools.

This Company, too, is an essential part of Northern Illinois, and has great confidence in its future. The theme of this advertisement is similar to one of a series being published in magazines and newspapers throughout the country to point out the many industrial advantages available here.

If you know of any business seeking a new location, please inform us so that in cooperation with other agencies interested in the progress of Northern Illinois, we can furnish complete factual information on the area.

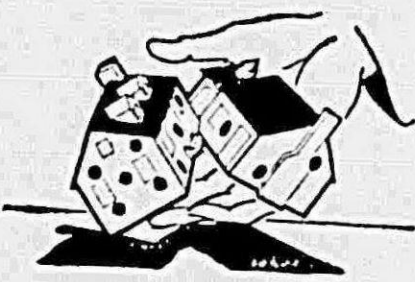

*Name on request

Industries locating in this area have these outstanding advantages: Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U.S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Good Government • Good Living • Good Services for Tax Dollars. Send for free booklets containing useful information on these advantages.

YOU CAN DO
something
ABOUT IT . . .

Millions of Americans are always asking: "Why doesn't somebody do something about it?"

They are referring, of course, to such things as food and other shortages, soaring costs of living, lack of housing for veterans, and all of the other discomforts and annoyances that they thought would be over once the war had been won.

The answer to this question of "doing something about it" will be written at the polls on November 5 if you — and enough other good Americans — vote Republican. That is the one sure way you can do something to get this country back to real Americanism.

Be sure you vote Republican on November 5, and get your relatives and friends to do likewise.

Lois Bonner and Russell Doolittle Wed at Millburn

Millburn church was the scene of a pretty wedding Saturday, Oct. 12, at 2:30 p. m. when Miss Lois Margaret Bonner, daughter of Mr. and Mrs. Gordon Bonner, of Millburn, exchanged nuptial vows with Russell E. Doolittle, son of Mr. and Mrs. Bert Doolittle, of Antioch. Preceding the ceremony music was furnished by Hans Von Holwede, of Antioch, who accompanied Frank DeYoung as he sang "At Dawning" and "Because."

The single ring ceremony was performed by Rev. Lauren H. Messersmith before the altar which was decorated with lighted candelabras and baskets of Chrysanthemums and delphinium.

The bride, who was given in marriage by her father, wore a gown of white nylon taffeta with a full train and finger tip veil caught to a tiara of orange blossoms, and carried a shower bouquet of white carnations. Miss Marjorie Doolittle, sister-in-law of the groom, served as maid of honor and wore a gown of yellow nylon taffeta and carried a bouquet of baby mums and yellow carnations. The bridesmaids, Mrs. Howard Bonner and Miss Beryl Bonner, sister-in-law and cousin of the bride respectively, were gowned in pink nylon taffeta identical with the maid of honor's dress. They carried bouquets of pink carnations and baby mums. All wore head bands of shattered carnations and mums.

Raymond Hook, of Grayslake, cousin of the groom, served as best man and Harold Edwards, of Waukegan, and Howard Bonner served as ushers. The bride's mother wore a gown of black crepe and the groom's mother was attired in bright blue crepe. Both wore corsages of gardenias.

Following the ceremony a reception was held in the church dining room for 150 guests. Miss Barbara Greene, of Waukegan, and Miss Thelma Clark, of Millburn, poured, and the bride's cake was cut by the bride's cousin, Mrs. Lester E. Barker, of Winnetka.

Guests were present from Kansasville, Union Grove, and Wilmot, Wis.; Urbana, Peoria, Chicago, Crystal Lake, Waukegan, Grayslake, Antioch, Long Lake, Gurnee and Russell, Ill.

The couple left for a week's honeymoon by auto through Wisconsin, Minnesota and upon their return will make their home near Antioch on Route 173 where the groom is engaged in farming with his father. Both Mr. and Mrs. Doolittle are graduates of Antioch Township High school and the bride is a graduate of Lake College of Commerce and is now employed as secretary at American Can Company in North Chicago, which position she has held 5 years.

REBEKAH LODGE TO HOLD CARD PARTY NOV. 1

Lakeside Rebekah Lodge will hold a public card party at their hall over Gamble store on Friday, Nov. 1, at 8 p. m. Refreshments, prizes, donation 50c.

(12-13p)

Mrs. A. L. Sampson returned Saturday from a week's visit with relatives at La Porte, Ind.

CHURCH NOTES METHODIST— THE CHILDREN'S HOUR

At the Methodist Church in Antioch next Sunday, October 27, the eleven o'clock worship hour will be marked by the dedication of six or more children to the Lord through the sacrament of baptism. If there are others who would like to avail themselves of this opportunity please contact the pastor at once. The message of the morning will be specially arranged in keeping with the occasion. We want this to be in a very real sense "The Children's Hour." Parents with little children are invited to become regular attendants at our services, bringing the children with them.

Warren C. Henslee, Minister

WILLIAM THOMPSON CLAIMS BRIDE AT OAK PARK, ILL.

Roberta Ann Jackman, daughter of Mr. and Mrs. Charles Harold Jackman and William Thompson, son of Raymond Thompson, director of Allendale, Lake Villa, were married at 8 p. m. Saturday, Oct. 19 at Pilgrim Memorial chapel, Park Ridge, Ill.

Jane Winters, of River Forest, Ill., was bridesmaid and Raymond Baethke, Antioch, served as best man. Robert Thompson, brother of the bridegroom and James Harvey were ushers. The double ring ceremony was performed.

One hundred fifty guests were in attendance at the wedding and the reception which followed at the Oak Park Arms.

Mr. Thompson, the bridegroom, who was formerly a naval flyer and physical education teacher, was discharged from the navy in April and held the position of athletic director at the Allendale Farm school until September when he enrolled in the physical education department at the University of Illinois at Champaign. He and his bride will reside in an apartment there.

Mr. Thompson is a grandson of Mr. and Mrs. George Kuhaupt of Antioch.

Sunday guests in the home of Mr. and Mrs. R. L. Murrie were their sons and families, Mr. and Mrs. John Murrie, sons, Jimmie and Billy, of Salem; and Mr. and Mrs. Lloyd Murrie, son Michael and daughter, Marilyn Louise, the occasion being Mrs. Murrie, Sr.'s birthday anniversary.

Mrs. George Hawkins, from Garden City, Long Island, arrived here last week and is visiting at the home of her daughter, Mrs. E. A. Westlund, and son.

LYNN-WIEBOLDT WEDDING SOLEMNIZED AT LAKE VILLA

The marriage of Miss Mary Kay Lynn, daughter of Mrs. John Fred Lynn, of Lake Villa to Richard A. Wieboldt, son of Mr. and Mrs. Fredrick Wieboldt, of North Garden, Va., was solemnized Oct. 5 at the Community Methodist church in Lake Villa.

While organ music was played by Hans Von Holwede, the Rev. Ray H. Pierson, Lake Villa and the Rev. George Olson, of Joliet, cousin of the bride, officiated in a candlelight service.

Given in marriage by her brother, Richard F. Lynn, the bride was dressed in a white brocaded taffeta gown with a long train and long veil. She carried a spray of orchids and Stephanotis.

Two hundred guests attended the reception at the Cedar Crest farm, Lake Villa.

Before her marriage the bride was a stewardess with United Air Lines. Mr. Wieboldt is attending school at Chicago Technical college and they will reside at 8238 S. Drexel, Chicago.

OLD CRIBB SCHOOL PUPILS HAVE REUNION AT BELLE RICHARDS HOME

A get-together of the pupils of the old Cribb school now known as the Cedar Lake school, was held at the home of Miss Belle Richards, on South Main street last Thursday evening. The evening was spent in reminiscing and social interchange.

Among those present were Frank Sherwood, of Chicago, teacher at the

Fact

and

Scripture

"The law of the Lord is perfect, converting the soul; the testimony of the Lord is sure, making wise the simple."

The statutes of the Lord are right, rejoicing the heart; the commandment of the Lord is pure, enlightening the eyes.

The fear of the Lord is clean, enduring forever; the judgments of the Lord are true and righteous altogether.

Psa. 19:7-9

Emanuel Thiele

school in those long ago days, and Eugene Hawkins, who is the only living member of the old time school board, and Mrs. Hawkins.

Others present included former pupils of the school and their better halves, as follows:

Mr. and Mrs. Frank Richards, Mr. and Mrs. Norman Burnette, Libertyville; Mr. and Mrs. Clayton Croft, Grayslake; Mr. and Mrs. Henry Quendel, Mr. and Mrs. Fred Hawkins; Mr. and Mrs. Charles Martin and Mr. and Mrs. Leo Barnstable, of Lake Villa; Charles Richards, Mr. and Mrs. L. R. Van Patten and Mrs. Belle Kellogg, Los Angeles, Calif.

Ice cream and cake were served at the close of the evening.

A card party will be held at Guild hall next Tuesday evening at 8 o'clock under the auspices of Olson Camp Royal Neighbors. Bridge, pinocle, 500 and buncie will be in play. There will be refreshments and prizes.

Library News

(By Marian Rigby, Librarian)
The Antioch Township Library will start the winter series of story hours on Saturday, Oct. 26. Your child is cordially invited to be at the Library at 11 o'clock Saturday morning. The McLaughlin family, of "My Friend Flicka" and "Thunderhead" fame, reappear in Mary O'Hara's new novel "Green Grass of Wyoming". Ken searches for a valuable racing mare for lovely teen-age Carey Marsh and Carey steals the affection his horses had once monopolized. Eric Sevareid, political and war reporter has an extraordinary range of experiences to draw from in his autobiography "Not So Wild a Dream." As foreign correspondent for CBS, Mr. Sevareid saw people living, fighting and dying in France, England, China, Italy and Burma.

Sick Toll

About 500 million man-days are lost annually due to illness and accidents. The cost to the nation amounts to about 8 billion dollars a year, in wage loss, pre-mature deaths and medical care expenses.

CLEANING AND REFINISHING

As we were saying-----
By Jack and Louie

Howdy Folks: The newspapers carry a story about a western holdup, who left his victim six bits to get his laundry.
We pass this on to our tax planners in Washington without charge.
One of our customers thinks that what this country has too much of is intoxication.
If we don't look out, we'll be out on a limb like a ventriloquist's dummy.
Some one has said that we should pay our taxes with a smile, but we always found that the tax collector wanted money and lots of it.
It won't take as much money as you think to keep your clothes looking like new.
If you will come in and see us, we will give you the low down on it.

Soap Powder
To convert bar soap into soap powder, be sure the soap is well dried. Cut it into small pieces and run them through the meat grinder. Then let them dry thoroughly and pulverize them.

Storing Yolks
To keep leftover egg yolks from developing a crust, store them in a tightly covered container in the refrigerator. In this manner they may be kept for several days.

Generous Habit
A native of Fiji is obligated to hand over any object in his possession which a friend or neighbor may desire.

Sandwich Trick
Approval by sandwich eaters—this trick of putting catsup between fried ham and cheese slice. It's good eating—moist but not soggy.

Magnetic Brake
A small electric motor traveling at 18,000 revolutions a minute, can be halted in six turns by magnetic brake. This is equivalent to stopping an auto, speeding 60 miles an hour, in less than three feet.

MILLBURN

Sunday, Oct. 27, is the last in the "Church Loyalty Month" program. It is to be guest Sunday and Rev. Messersmith has chosen "The Carpenter's Testimony" as his sermon topic. Come and bring your friends. Friday evening, Oct. 25th is "Family Night" at Millburn church with fun for all the family. Refreshments will be served and an offering will be taken to cover the cost.

Members of the Christian Endeavor Society will hold their annual Halloween party at the church Saturday evening. Members of the Pilgrim Fellowship will be guests at this party.

Mrs. H. H. Messersmith and her Sunday school class of boys and girls of Millburn are enjoying a party in the church basement Monday evening.

Millburn Unit of Home Bureau met at the home of Mrs. McCord at Rosecrans Friday afternoon with 15 members and five guests present. Mrs. Orland Raether gave a fine lesson and demonstration on "Efficient Use of the Sewing Machine and Attachment." Miss Vivien Bonner gave the minor lesson on "Braided, Crochet, Hooked and Oriental Stitch rugs." Guests present were Mrs. Gregory Yahnke, of Libertyville and Mrs. Bruce Dalgard, of Hickory, sisters of the hostess, Mrs. Arthur Becker, Mrs. W. F. Wetzel and Mrs. Marshall Kimball and Audrey Strahan and Madelyn Murrie, 4-H members were also guests.

Mr. and Mrs. O. L. Hollenbeck and Mr. and Mrs. Don Holum entertained the Couples Club at the former's home Friday evening with 15 couples attending. Mr. and Mrs. Ed Denman and Mr. and Mrs. W. F. Wetzel joined the club. Progressive table games were played.

Mr. and Mrs. Don Truax spent Saturday in Urbana and attended the

Illinois-Wisconsin football game. They spent Sunday with relatives in Danville, Ill.

Mr. and Mrs. Frank Edwards spent Thursday evening at the John Edwards home in Libertyville.

Mr. Scott Miller, of Oregon, Wis., called on old friends at Millburn Masonic lodge and was an overnight guest at the Carl Anderson home.

The annual bazaar and roast chicken supper of Millburn church will be Friday evening, Nov. 1. Serving will begin at 5 o'clock. Bazaar with usual sale of fancy work, comforters, rag rugs, aprons, dish towels will be in Masonic hall.

Mr. and Mrs. O. L. Hollenbeck and Mr. and Mrs. Don Holum entertained the Couples club at the former's home Friday evening with 15 couples attending. Mr. and Mrs. Ed Denman and Mr. and Mrs. W. F. Wetzel joined the club. Progressive table games were played.

Twenty members of the Mylo club met with Mrs. Clifford Weber, Jr., at Grayslake Thursday evening. Mrs. Donald Martin, of State Line road

joined the organization. Articles were turned in for the children's gift booth which the Mylo club is sponsoring at the bazaar.

Mrs. John Dickey, of West Chicago, and Mrs. Marc Edwards and son, Larry, of Forest Park, were overnight guests at the home of Mrs. E. H. Edwards.

Mr. and Mrs. Earl Priest, of Three Oaks, and Mrs. Walter Klute and daughter, Arlene, of Niles, Mich., spent the weekend at the L. S. Bonner home. Mr. and Mrs. Victor Strang, of Waukegan, were Sunday dinner guests also. Mrs. Priest remained for a week with her sisters, Mrs. Bonner and Mrs. Strang.

**IS THE OLD BUS FULL OF BIRDIES?**

Squeaks and chirps in your car mean faulty lubrication—and that's bad. They're signs of wear ... tear ... trouble ahead.

What do you do about it? Just this. Every thousand miles, drive in for our Special Lubrication Check-up. Our experts will examine everything—oil filter, engine, transmission, differential, chassis, front-wheel bearings, universal joints, shock absorbers. They'll renew, refill and repack wherever necessary. And your car will hit the highways with new life and smoothness.

Remember—we offer the authorized Chrysler-Plymouth service by specially trained mechanics who know your car. It's the best treatment your car can get to make it last!

UNTIL YOUR NEW CAR COMES ALONG
WE'LL KEEP YOUR OLD ONE GOING STRONG!

RESPIRATOR**

Ends Furnace Drudgery

Be sure to see

Combustioneer
AUTOMATIC COAL STOKER
NOW AVAILABLE

Combustioneer's amazing invention—the Automatic Respirator—now makes automatic heat cheaper than hand-firing. The efficiency of the Automatic Respirator is astonishing ... It detects ... then measures out the precise amount of air required by the fire-bed for complete combustion at all times. Thus all volatile gases and carbon particles in the coal are totally consumed. EXTRA heat energy is extracted from every pound of coal. Fuel savings are exceptional. Combustioneer is sized for homes, flats, apartments, hotels and factories.
